### 7.2 – Best Practices

#### 7.2.1 – Describe at least two institutional best practices

1. **BIO-DIVERSITY PRESERVATION INITIATIVES** The College is fortunate to have a huge campus, of which a major portion is full of greenery, and is home to a rich bio-diversity of plants, flora and fauna and various species of birds and reptiles. The college has consciously undertaken a task of preserving this rich bio-diversity and adding to it. Since the year 2016, we have undertaken the plantation of many indigenous/ local species of plants like Mango, Vad (Banyan), Karanj (Milletia Pinnata), Bakul (Bakul - Mimusops), Saptaparni (Alstonia scholaris), Umbar (Ficus racemosa or Cluster Fig) and Pimpal (Ficus religiosa). The college campus is home to more than 95 species of birds, which includes many migratory birds also. The tree plantation and conservation efforts undertaken every year go a long way in preserving the natural habitat of these birds by providing them sufficient food, water and shelter. During the summer, water holes have been made to provide water to these birds. To ensure that the grass and greenery doesn't get destroyed by the fires that are common in the summer, at different points in the campus, trenches have been dug. This also helps in harvesting of water in these trenches. In order to promote awareness about the environment, every year in winter the Environment Science Dept. of the College organizes a Nature Walk, in which the students are introduced to different species of plants, birds and flora and fauna and they get a chance to observe these species. In addition to these measures, the college which is home to a lot of reptile species makes it a point never to kill snakes when they are found on the campus. They are just caught and later released into the wild. Preserving and conserving the environment is the need of the hour. These efforts are not just an adherence to the Government guidelines for implementing environment friendly initiatives, but the College considers this effort to preserve and maintain the bio-diversity its duty and is proud of the same.

2. **INVITING ALUMNI AS CHIEF GUESTS FOR COLLEGE FUNCTIONS** CCCS has a rich legacy of alumni who have excelled in different walks of life like academics, judiciary, journalism, social work, finance, industry, business, films, culture, sports, politics, security and defence, etc. Our effort is to connect these alumni with the college and the current students in a meaningful way. Every year the College organizes MAGNIF an Inter-Collegiate Competition, and the Annual Prize Distribution Function. The College makes it a point to invite one of its alumni, who has achieved success in the professional sphere as the Chief Guest for the inauguration of MAGNIF and the Annual Prize Distribution Function. This practice helps the Alumni to connect with the college and the current students and vice versa. At the same time, the speeches given by these alumni are very encouraging for the current students and help the students get a valuable insight into the openings available and the working

of the corporate world, thus creating career awareness among the students. When the students hear the alumni speak in glowing terms about the College and its standing in society, it reflects not only the love that the alumni have for their alma mater but also makes the current students realize the rich legacy of their college, of which they are a part. This practice is a conscious effort on our part to connect with the Alumni, an important stakeholder of the College and at the same time present the alumni as a role model for the students. In the recent years the following alumni have been invited as Chief Guests for MAGNIF and the Annual Prize Distribution Ceremony 2013-14 : Shri Madhav Kulkarni (Industrialist) 2014-15: Shri Rajesh Naik (Corporator) 2015-16 : Shri Gaurav Mandhana (Proprietor, MG Distributor) and Shri Ganpati Sagre ( Industrialist) 2016-17 : Hon Shri Sudhir Gadgil (MLA- Sangli) and Shri Ajinkya Lunkad (Proprietor, AJL Agro) 2017-18 :Shri Chetan Gore (Agro-based Business) and Shri Jayvardhan Chaugule (Lawyer)
